IMPORTANT NOTES

All public programs are open to representatives from Higher Education Institutions from across the globe

- Please note that the number of seats/slots per program is limited, given the 'hands-on' and interactive nature of these programs and is based on first-come, first-served. Once a program reaches full capacity the online registration will be closed
- Early bird and group registration discounts are available; please consult the individual program page for more details
- Registrations for public programs are confirmed only when the full payment of the registration fee is received
- For detailed information on each program, please visit our website at www.cli-cks.com

- If you are interested in requesting any of these workshops as an in-house program between, please feel free to contact us at inquiries@cli-cks.com.
- You may also find further information on how to request an in-house program [here](#)
- In addition to professional development, the Center also offers consulting and advisory services in this area, tailored to the specific context, priorities, and needs of each institution.
